## Objective

*REMEMBER!! Resumes should be a single page! Experience should be in reverse chronological order!*

## Experience

### Univ. of Rhode Island

Kingston, RI 02881  
Sensor and Surface  
Technology Partnership  
*Research Assistant*  
May 2009-June 2010

- How did I help this company succeed?
- What is my proudest accomplishment here?
- Design of solid state sensors using thin film processes.
- Trained new employees according to standard operating procedures.
- Developed new testing methods to improve accuracy.

### Univ. of Rhode Island

Kingston, RI 02881  
Computational Modeling  
Laboratory  
*Research Assistant*  
May 2009-June 2010

- Worked with adapting FORTRAN code to the modeling of CO2 sequestration.
- Installed and maintained several linux computers dedicated to the project.
- Interpreted code was originally designed for modeling how nuclides migrated through soils at Yucca Mountain.
- Had regular performance reviews with my professor.

### Starbucks Coffee Company

East Greenwich, RI  
*Shift Supervisor*  
February 2006-July 2007

- Manage a team to ensure rapid customer turnaround.
- Training new employees per company guidelines.
- Trained cash controller.
- Promote long-term goal of customer's loyalty and satisfaction.

### The Chocolate Delicacy, LLC

East Greenwich, RI  
*Technology Manager*  
February 1994-Current

- Ensure stability and function of process control equipment, network.
- Build multiple site to site virtual private networks.
- Design of "Chocolate Temper Testers," a process quality control device to find chocolate crystallinity.

## Education

- University of Rhode Island  
Chemical Engineering, biological track. (120 credits)  
GPA: 3.66 (GPA can be excluded, it really depends on the company to which you are applying. Try and get some intel to see what the HR department where you are applying likes!)
- Relevant coursework includes: Organic Chemistry I & II with lab, Nuclear Measurements, Heat, Mass, and Momentum Transfer operations, and Ethics.

## Qualifications

- Proficient in TCP/IP networking layout and construction.
- Construction and design of plant control systems.
- Proficient in Microsoft Office Suite, MATLAB, Maple.
- 10+ years of experience in customer relations.
- Currently certified radiation worker.
- Helped over 100k people find jobs.
- What are you good at?

## Affiliations

- Member of the American Institute of Chemical Engineers (AIChE) for two years.
- President of URI AIChE student chapter. 2009-2010
